Net Worth Solutions Appoints Matt Kaden as Associate Director Kaden Brings Extensive Apparel and Financial Industry Expertise to M&A Firm

NEW YORK--([BUSINESS WIRE](#))--Net Worth Solutions, Inc., a merger and acquisition advisory firm that provides investment banking services to the fashion industry, today formally announced the appointment of Matt Kaden as Associate Director. Mr. Kaden has a diverse portfolio of financial experience in strategic analysis within the apparel industry.

Mr. Kaden joins Net Worth Solutions from Jones Apparel Group, where he worked as a Planning Analyst within its Wholesale Denim Group during 2006-07. Previously, he was employed at Kellwood Company's largest division, the Lifestyle Design Group (formerly Sag Harbor Group) from 2003-2006 as a Financial Analyst and Strategic Replenishment Manager. From 2000-2003, he was an Associate Planner at Macy's East Corporation in its Merchant Organization after starting in Macy's Business Development program.

"We're looking forward to having Matt apply his direct experience in both retail and wholesale, as well as his analytical MBA background, to our clients' benefit," says Jack Hendler, president of Net Worth Solutions. "His knowledge of the changing dynamics of the apparel industry will enhance our ability to identify and execute optimal deals on behalf of our clients."

At Net Worth Solutions, Mr. Kaden's responsibilities include helping manage client relationships and involvement in structuring and analyzing deals, as well as creating market analyses and business prospectuses for companies seeking to be acquired.

"I am excited about this opportunity to work with an entrepreneurial M&A firm such as Net Worth Solutions, where my colleagues have personally operated retail and wholesale businesses, and understand every aspect of these industries firsthand," says Matt Kaden. "This gives our team a unique perspective to match buyers and sellers – and close deals successfully."

Mr. Kaden was awarded his MBA from CUNY Baruch's Zicklin School of Business.
